

Internship Graphic & Communication Design (m/f/d)

We are looking for an Intern Graphic & Communication Design (m/f/d)

Location: Siegburg (L004.SU)

Job ID:19856

Siegwerk is a global Printing Ink manufacturer, with more than 5,000 employees across 34 international sites. A classical “hidden champion”, we are the market leader for specialty inks for packaging and publications. We have a proud history of continued success and growth for almost 200 years, but we are even more excited about our future. Join us and see where a career at Siegwerk could take you.

Your tasks and responsibilities:

- Be a part of our dynamic Digital Services team where your creative contribution will influence the success of our digital platforms
- Create internal and external communication with a focus on storytelling and design
- Assist in the further development of our marketing strategy, considering our corporate identity and corporate design
- Plan concepts by studying relevant information, digital tools and materials
- Illustrate concepts by designing examples of art arrangement, size, type size and style
- Create a wide range of graphics and layouts for product illustrations, logos, and websites
Support in website design / redesign / maintenance of our digital platforms

Your Qualifications:

- Studying communication design, visual communication or similar course of studies
- Experience with branding and corporate design, conceptualization and programs such as Adobe Experience Cloud and Figma
- Knowledge working with digital media platforms and interest in latest trends
- Reliable, friendly and confident attitude
- Profound communication skills
- Fluent in English, good command of German language is a plus

As a global family business, we offer:

- The best of both worlds – a company who thinks like a global leader, but acts like a family business
- Excellent location in the attractive Cologne-Bonn area, easily accessible via public transport and with good motorway connection
- Flexible work time
- An employer who takes over social responsibility
- Logib-D validated remuneration system - fair and gender-neutral
